

ADRIA
PLATINUM
COLLECTION

Exclusive doesn't have to mean expensive.

MATRIX

The perfect all-rounder 'crossover motorhome', the Matrix Platinum is available in 1 layout M670 SL in Forest interior design. Motorhome is built on the Fiat Ducato with Euro6 engines and feature silver coloured exterior body plus Adria's exclusive dynamic rear wall with horizontal lights.

CORAL

The Coral range of semi-integrated motorhomes, feature 'slim-fit' exterior and loft-style interior on the Fiat Ducato with Euro6 engines. The Coral Platinum Collection is available in 1 layout S 690 SC with Horizont interior and goes further, with extra added-value features including silver colour aluminium body, panoramic window, dynamic rear wall with integrated horizontal lights, new graphics and integrated step under the cabin doors.
